2) The Schedule of establishment sanctioned above the end of December 1951 retrospectively from 1.4.50 posts not included in the Schedule were therefore ordered to be continued till 1.1.52 in order that the officials who had worked against these posts may not have to refund the salary and allowances drawn by them on the subsequent order no. L 13497/pc IV 1-51-30 dated 21.2.52 sanction was accorded to draw the salaries and allowances of the corporation officials under the old Schedule upto the end of March 1952 the making of certain arrangements adjustments at the change over from the old to the new Schedule is inevitable, involved time and the continuance of the old posts not included in the Schedule till the end of March '52 is therefore a necessity to avoid inconvenience to the officials concerned. Specific sanction for the continuance of the posts till the end of March '52 may now be drawn to facilitate the audit requirements.

3) Certain appeals as detailed in the appended Statement flapper "A" have been proposed to the fixed at a higher initial stage on the grade pay and grant of advance increments under Specific Resolutions of the Corpn. The Govt Dept has recently held the views on the case of Sri D Venkatasubban and M Ramiah that the power of the Corporation to sanction advance increments by or to fix a higher pay under Sec 90 of the Corporation Act is absolute and that Govt cannot Rescind or modify their decision In the Report of the opinion Govt has no option but to accept the Recommendation of the Corporation for granting these appeals a higher initial pay on the grade. These revisions are entail cost of Rs 12,212/- for two years as per Calculations of the Controller, S A D

4) As regards Lent appeals, the Cupless pay proposed by the Corporation could be treated as personal to them so long as they continue in the Service of the Corporation irrespective of their promotion to the Secondary of others in their parent departments.

5) The Controller, S A D has

posted asst Chief Sr M Lakshmana does not possess the requisite qualifications to be appointed as Reporter as recommended by the Corpn. He holds a first Division appointment and is said to have very good experience in Shorthand and Type writing. His appointment as Reporter may perhaps be approved as a Special Case as otherwise it may cause a set back on the arrangements made by the Corporation to absorb optees working against posts abolished on the Bhadale Tram Appeal is said to have put in a Service of 25 yrs as Stenographer.

6) The allocation of Sr M Lakshma Rao and Sr N S Ayodhyaramaiah to grade of Rs 200-10-300-20-500 will automatically be Regularised after the approval of the allocation Statement and may not call for any Special orders

8) The exclusion of the gang establishment of the Engineering Section stated to have been accepted by me subject to the original proposal stated may also be approved

9) The Controller refers in the last para of his letter clarification re the expression "no person who was not actually holding the post after 1 4 50 should get the benefit of the revised grades" in the direction issued by last in his D O dated 5/9-1-52 With reference to the discussions in the file it is seen that the intention is to allow the benefit to officials who have discharged the responsibilities actually borne against the posts sanctioned and the schedule and have discharged the entire responsibilities and attaches to such post Term is for orders

Statement as the present form excluding all apportionments (whether agreed or not) in the various branches of the Corporation arranged according to budget heads to enable Govt to know exactly what expenditure the entire Corporation establishment and to serve as a basis for credit and for considering changes deemed necessary from time to time. The Statements have therefore been sent under instructions of Govt issued at the suggestion of the Comptroller

16) It may further not be desirable to split up the establishment schedule which is the first to be prepared into (1) Apportionable Recurring Sanction of Govt (2) Apportionments to be made by the Corporation and (3) Apportionments to be made by the Centre for piece-meal sanction by the respective authorities as such a course would create confusion and delay the flow of credit

17) In the above light Sanction is sought for and proposed to be issued to these Statements.

20) Para 4 States that Cases of the officials who had left the City Municipality about 15 years ago were not susceptible of any verification at present and that those Cases have not been verified The action of the Controller in this respect may be approved.

21) Para 5 deals with the Recovery of the amount paid in excess of the Sanctioned proportion Statement Instructions were issued in this office letter No L. 43497/CH 1-51-30/21-2-1952 dt 13-2-1952 to adjust the claims at the old rates till the end of March 1952 (Flag F of the linked file) Therefore the question of recovery for excess drawn may be appd.

22) Para 6. deals with the officials who have been given advance increments etc There are two kinds of officials, one is Corporation officials and another is Govt officials As regards the Corporation officials, the matter has been discussed at length by the Law Dept in file no 6253/54 and it has been held by the Law Secretary that the Corporation has powers to increase the allowances and to sanction Schedule with or without modifications as it thinks fit according to ~~proviso~~ to Section 90 of the Corporation Act. The said file is placed below Therefore the allowances Salaries

and fees of these employees may be left to the Corporation itself so long the provisions of the Act remain unaltered

23) As regards the Govt officials, they may be allowed to get whatever amount they are given so long they work in the Corporation and so long they get at least the pay they would have got in their parent Depts However the enhanced Salaries etc to these officials may be treated as personal to them

24) Para 7 deals with the allocation of Sri M V Lakshmanan in the grade 75-5-100-10-200 In view of the powers given to the Corporation, this may be agreed, as the Commr is said to have reported that he (Sri M V Lakshmanan) is observed as Reporter and not as Stenographer In this case peculiar procedure seems to have been observed According to Proviso to Section 90, no new office shall be created without the previous Sanction of Govt if the maximum monthly salary exceeds one hundred Rupees In this case if the post of a Steno-grapher on 75-5-100-10-200 is new one, then it should have been got sanctioned separately If it is an existing post, the Commr has fixed the pay of the Reporter in that grade The Controller only

26) With regard to Para 9, Corporation has powers to alter allowances there is no need to interfere with the orders passed by Corporation

27) Para 10 deals with Gang Establishment of Engineering Dept No orders are necessary It may be returned back

38) The mere fact that Govt. have approved the Schedule of Establishment is no criterion to allow special benefit of pay to individuals not in accordance with the rules Sanction to the Schedule of Establishment amounts to the fixing of the maximum limit of expenditure on establishment It does not mean that the maximum limit should invariably be allowed in every individual case even though not permissible under the rules re. the fixing of the pay of Government servants The allocation of the officers and officials in the revised grades may be modified strictly according to the rules of the M S R

Sir

Subject - Proposition & Allocation Statements of the Corporation Establishment

I write to forward herewith a copy of letter No B 1/51-52 dated 15-2-1952 addressed by the Commissioner, Corporation of the City of Bangalore, to the Auditor, Corporation of the City of Bangalore, regarding the verification of the Proposition and Allocation Statements of the Corporation Establishment The revised Proposition Statements prepared by the Commissioner on the basis of the modification effected in Government Order No 11018-23/5-51-8 dated 5/9th January 1952 and the Allocation Statements are sent herewith duly verified by the Auditor of the Corporation for the approval of Government

2. The existing and proposed costs of the Establishment as will finally stand as per the revised proposition statement, are noted below -

Sl No	Name of the Department or Office	Existing	Revised
1	Commissioner's Office	6,245-10-0	6,386-12-0
2	Engineering Department	29,863- 8-0	31,294- 1-0
3	Health Department	71,121- 1-0	74,327-10-0
4	Revenue Section	9,660- 4-0	10,206-15-0
5	Octroi Office	8,764- 2-0	7,449- 1-0
6	Market Office	1,331- 5-0	1 436- 5-0
7	Educational Institutions	10,997-14-0	10,997-14-0
8	Hospitals and Dispensaries	2,594-10-0	2,594-10-0
	Total	1,40,578- 6-0 (Permensem)	1,44,693- 4-0 (Permensem)

The net extra cost due to the revision is Rs 4,114-14-0 per mensem or Rs 49,378-8-0 per annum

3 Certain points noticed during the scrutiny of the Allocation Statements are noted in the following paragraphs for the information and orders of Government

4 The names of certain officials have been shown in the Allocation Statement with the remarks that they are O O D without recording their pay in the grade and the offices in which they are working The Commissioner was requested to record the pay of such officials as on 1-4-1950 and the - - offices in which they are working at present He has -- replied that these officials left the City Municipality about 15 years ago, their whereabouts are not known and -- that their cases were not considered even while the General Revision was given effect to during 1947 It is not clear why their names should still be retained in the Corporation and their liens shown against the posts of the Corporation As such cases were not suceptible of any verification in -- audit, they have not been verified

5 As certain posts and allowances have been abolished by Government with effect from 1-4-1950 in the different - - Departments of the Corporation while sanctioning the Proposition Statement, the Commissioner was requested to furnish a list of the officials who held the abolished posts and the salaries paid to them as well as the unsanctioned allowances drawn to facilitate their being checked in audit, while verifying the Allocation Statements and to send the same to Government for recovery or otherwise of the excess payments made He has stated that the Government Order dated 9-1-52 permits the -- continuance of such posts upto 1-1-1952 and that subsequently Government have allowed to continue the old Schedule up to -- the end of March 1952 and that the question of refund or - - recovery does not therefore arise Although no detailed reasons have been given for such a view the Commissioner - - presumably believes that the sentence in the Government Order

" The

" The existing posts in the Corporation which are not included in the Schedule should be discontinued from 1-1-1952 unless they are covered by separate sanction', authorises the continuance of the old schedule till 1-1-52 and this interpretation does not seem to be correct The Government Order directs the discontinuance of the abolished posts from 1-1-1952 but it does not state that their continuance beyond 1-4-1950 is approved Unless there is specific approval to this effect, the continuance of these posts is irregular The Commissioner may therefore be requested to take up the question of recovery or regularisation of the amounts paid in excess of the sanctioned proposition statement In this connection reference is invited to my -- letter No 4612/CSA dated 31-1-1952

4 It has been directed in the Government Order that the pay of the incumbents in the revised grade should be fixed as per provisions of the S R But it has been noticed in the Allocation Statement that, in some cases, pay as on 1-4-50 has been fixed by the Commissioner at a higher stage than what is admissible according to the M S R Advance increments and higher pay have been given on the strength of Corporation Resolutions approving such enhanced pay The pay of such officials has however been altered in audit and fixed according to the rules in the S R A statement of officials for whom advance increments and higher pay had been fixed in the Allocation Statement according to the Corporation Resolutions, but altered in audit, is herewith enclosed showing the - - difference in pay involved and the financial effect If Government were to approve the resolutions of the Corporation fixing higher pay in the case of these officials then their pay requires to be altered in the Allocation Statement as shown in Colurn 6 of the statement Sl Nos 15, 16, 17, 18, 19, in this statement, are not Corporation Officials but lent officials from the Public Works and the Revenue Survey Departments of Government The increase in their pay requires the - -

specific sanction of Government, in consultation with the concerned Heads of Department

7 Sri M V Lakshman, Sl No 1 under Reporters in the Commissioner's Office list, is now allocated to the grade 75-5-100-10-200 The Commissioner, who was asked to intimate whether he possessed the required qualifications for the post, has stated that the official has passed the Intermediate Examination in Type-writing and Elementary short-hand according to the old scheme that he has put in 25 years of service as Steno-Grapher, that he has got very good experience in short-hand and type writing and that he has been absorbed as a Reporter in the Higher Grade as he was already in the higher grade of Rs 60-5-90/E B 6-150 The qualification prescribed for appointment as Steno-typist is a pass in the Senior Grade Short-hand and Senior Grade type-writing His allocation to the scale of steno-typist is for the orders of Government

8 Doctors P Krishna Rao and M S Ayodhyanath have been allocated to the grade Rs 200-10-300-20-500 According to Section 89 (2) of the Corporation Act previous sanction of Government has to be obtained for any appointment to an Office the maximum monthly salary of which exceeds Rs 250/- The Commissioner was asked to state whether previous sanction of Government had been obtained to appoint them to the present posts, the scale of pay of which rose to Rs 500/- He has stated that " they have been appointed by Corporation under Section 90 and fixed in the Allocation and that the sanction of Government for these appointments is sought in the Allocation Statement" This is reported for the information of Governmert

9 In the Allocation Statement a Motor Car Allowance of Rs 50/- is proposed to be paid to Dr B Channarayanna, Assistant Health Officer in addition to a duty allowance of Rs 50/-

which he is already getting While approving the Proposition Statement Government have observed that there should be a proportion between pay and allowance and have sanctioned a - - conveyance allowance of Rs 45/- to the Assistant Health Officer Anti-Malaria Section Accordingly the Conveyance Allowance in favour of Dr Channarayappa is changed to Rs 45/- Dr Channarayappa is an Assistant Health Officer, Class III lent from the Public Health Department He is now drawing a C A of Rs 30/- If his conveyance allowance has to be increased from Rs 30/- to Rs 45/- specific sanction of Government is - - necessary

10 The Gang Establishment of the Engineering Department had been omitted in the Proposition Statement and consequently it had been omitted from the Allocation Statement also The Commissioner was requested to furnish the details regarding the cost involved on this establishment and to prepare additional statement The same is now included both in the Proposition and Allocation Statements duly verified by the Corporation Auditor This is for the kind information of Government

11 Sri I Ramiah, Public Conveyance Inspector is drawing a non-absorbable persoral allowance of Rs 10/- But this was not included in the Proposition Statement against the post The Commissioner had shown this allowance against Sri H Ramiah in the Allocation Statement This has been deleted in audit

12 It is stated in the Government Order dated 9-1-52 that no person who was not actually holding the post after 1-4-50 should get the benefit of the revised scales Ordinarily the officials who hold the posts in the revised scales after 1-4-50 should get the benefit of the scales of the posts to which they are appointed and which they hold Hence the significance of this sentence in the Governmert Order is not clear The exact intention of Government

Government may kindly be made clear for the guidance of audit

Yours faithfully,

SIR

Subject - PROPOSITION AND ALLOCATION STATEMENTS OF THE CORPORATION ESTABLISHMENTS.

With reference to the correspondence ending with your letter No L 752 dated 12th April 1952, I write to state that as the Officers and Officials referred to in your letter, were allocated only as per allocation statement originally approved by the Corporation in the revised grades of the New Schedule of Establishment sanctioned by Government in Order No 11018/C M 51-8 dated 5/9-1-1952, it was not thought necessary to again place the matter before the Corporation But in view of the letter of Government dated 12th April 1952, the list showing the names of persons who have been given higher pay and advance increments, was placed before the Corporation at their adjourned ordinary meeting held on the 14th April 1952 They unanimously re olved that the original resolution dated the 30th December 1950 approving the allocation statements, be reiterated, that the salary in the higher stages, and the advance increments to the Officers and Officials detailed in the letter of the Government, be approved and that the said officials be fixed accordingly with effect from 1st April 1950 in the grades sanctioned by the

the Government - vide copy of the resolution enclosed In this connection I may add that the Corporation decided, originally and ever now, to allocate the said officials in the higher stages giving advance increments, having regard to the increased duties and responsibilities devolved on their offices, consequent on the merger of the two Municipalities

In the circumstances, I request that the Government may be pleased to sanction the entire allocation statements and forward the same to me immediately as otherwise it may not be possible to draw the salaries of the entire Corporation Establishment for the month of April 1952, basing either on the new or old scales of establishment since the Government in their letter No L 13497/C M 1-51 dated 21st February 1952 have permitted to draw the salaries on the old scales of pay only up to 31st March 1952

Forwarded with compliments

Bangalore

Dated 5th May 1952

Dear Sir,

In pursuance of my personal talk, I enclose herewith a note regarding the legal position in connection with the sanction to the Allocation Statement of the Establishment of the Corporation of the City of Bangalore, for your perusal

I learn that the Financial Secretary has put in an objection regarding the granting of the increments for certain officials, without taking into consideration the legal aspect of the question and also the increased duties and responsibilities in the case of those officials

FA 5/8

The Corporation have sanctioned the Schedule and Allocation Statement according to the powers vested with them under Sections 89 and 90 of the Act

The Allocation Statement as unanimously approved by the Corporation is in order, and the same may kindly be sanctioned early in the interest of the officials and efficiency of the work of the Corporation

Yours sincerely,

B V Lankappa

Sri T Chennaiah, B A,
Minister for Local Self Government
Medical and Public Health,
Government of Mysore,

ALLOCATION STATEMENT OF THE BANGALORE CITY CORPORATION ESTABLISHMENT FOR SANCTION

The Corporation have approved the allocation statements of the entire Corporation establishment in their resolution dated 30th December 1950

The same was submitted to Government after scrutiny by the Corporation Auditor and the Controller of State Accounts

The Corporation establishment consists of 4,000 employees of which 2,000 are sweepers and scavengers The remaining 2,000 consist of officers and officials in superior service and also menials

In the case of all the employees, except 23 officials, the pay they were actually drawing have been fixed in the grades (as there was no change in their duties etc) approved by the Corporation and sanctioned by Government in their Order No 11018-23-C II 551 dated 5th/9th January 1952

In the case of 23 employees, the Corporation have sanctioned some advance increments and fixed their salaries at higher stages after considering the increased duties and responsibilities in the case of these officers and officials after the formation of the Corporation In these cases, the duties, which were formerly done by t o sets of officers and officials have been entrusted to only one, and the work has doubled in some case and considerably increased in some other cases Having this in view, the Commissioner and the Standing Committee (Taxation & Finance), after deep consideration recommended some increments and higher stages of pay in these cases to the Corporation, who have sanctioned them in their resolution dated 30th December 1950 and reiterated the same in their resolution dated 14th April 1952 after again going through these cases as desired by Covernment

The allocation statement together with these 23 cases of officials, who have been fixed at higher stages of pay after giving the increments as before the Government for sanction

The Government have got power only to sanction the appointments of Health Officer, Corporation Engineer, Revenue Officer and any other Head of Department and the appointment to any other post

post whose salary exceeds Rs 250/- per mensem under Sections 84, 85, 88 and 89 (2) of the Act

In all other cases, the Commissioner if the monthly maximum salary does not exceed Rs 100/- and the Corporation beyond Rs 100/- per mensem

Besides, the Corporation has got power to fix salaries after granting advance increments, any fees or allowances on the recommendation of the Commissioner, Standing Committee (Taxation & Finance) under Section 90 of the Act

The legal issue regarding the power of the Corporation to sanction advance increments to their employees has already been decided by the Government after obtaining legal opinion when four advance increments were sanctioned by the Corporation to Messrs D Krishnaswamy Assistant Octroi Superintendent and T Ramiah, Public Conveyance Inspector

Now the entire allocation statement of the Corporation together with these 23 cases have been submitted to Government for the simple reason that this is the first Schedule and Allocation Statement, as desired by the Government in their letter No L 7853 dated 6th November 1950

The matter is pending since two years without being decided and this works great hardship to many of the officials of the Corporation who are doing strenuous work on account of the increased duties and responsibilities

The allocation statement, as approved unanimously, by the Corporation may be sanctioned in the circumstances stated above, at an early date

The relevant extracts from the Corporation Act is herewith enclosed for ready reference

EXPLANATORY NOTE FOR HAVING FIXED CERTAIN OFFICIALS IN THE HIGHER STAGE OF PAY AFTER GRANTING ADVANCE INCREMENTS IN THE ALLOCATION STATEMENT

---

(1) Sri N. Siddalingappa, B.A., LL.B., Personal Assistant to the Commissioner

The post of the Personal Assistant carried a grade pay of Rs 150-10-200-20-300 plus D A Rs 50/- prior to the formation of the Corporation In the Civil Station, there was a Secretary to the Commission, who held a grade pay of Rs 300-10-400 plus Rs 75/- D A and Rs 75/- C A for the work in the Civil Station, as Personal Assistant to the Collector-President Now both the City and Civil Station have been merged into the Corporation and all the works have been entrusted to one officer At present the Personal Assistant has to supervise the work of Council Section also and attend the Corporation Meetings and the meetings of the several Committees, which meet almost every day Hence his pay has been fixed at Rs 350/- in the grade Rs 300-25-500 in view of the increased duties

(2) Sri T S Desikachar, B A , Manager

There were two sets of Commissioner's Offices - one in City and the other in Civil Station with separate establishment There was one Head Clerk in grade Rs 110-8-150 in the Civil Station and one Head Accountant in the City side These two Offices were merged and a combined Section consisting of 15 Clerks, 5 Typists, etc have to be supervised by the Manager He has not only to get the entire office routine supervised, but also invariably attend to all special duties such as Census, Election and other similar miscellaneous works which will be entrusted to him The three advance increments are proposed to be given to the Manager and this is in lieu of the Duty Allowance of Rs 30/- which he is now getting After the allocation is given effect to this will merge in the regular schedule

(3) Four Upper Division Clerks Messrs P Gopal Rao, N. Rajagopalan, P Padmanabachar and T.S Kapinipathy Sastry

After the advent of the Corporation the responsibilities and duties of these clerks have been actually doubled and many a time

time they have to over work to keep up efficiency They have to do double duties of the two erstwhile Municipalities

The following staff mentioned in the list to whom advance increments have been recommended came under the above category and the Corporation thought that in their cases also few advance increments should be given -

1 Sri G V Thirumalachar, Cashier
2 Sri I V Lakshmanan, Reporter
3 Sri V Muppuswami Reddy, Typist
4 Sri R Susaraj, Typist
5 Sri R Rama Rao, II Division Clerk
6 Sri G Suryanarayana Rao, II Division Clerk
7 Sri S Ramachandra Rao, II Division Clerk

In the case of Sri I S Ramanatha Iyer, Food Analyst, four advance increments have been recommended as he is now in entire charge of the Food Analysis section of the two erstwhile Municipalities He is now getting a Duty Allowance of Rs 40/- which will be merged if the advance increments are given effect to

With regard to Sri N Cangaiah, advance increment is recommended as the post of the Head Clerk in the Engineering Section has been abolished and as he has to look after double duties of the two offices He is now in charge of the Engineering Accounts of the two erstwhile Municipalities

The following five Overseers have been recommended one advance increment each because in the re-allocation of duties, they are saddled with additional responsibilities for which the Corporation thought that some recompense should be given to them -

1 Sri S Nagesha Rao
2 Sri G Nanjundiah
3 Sri V A V Murthy
4 Sri B Govindarajulu Naidu
5 Sri D Vasudeva Rao

Janab M H Khuresh, Petty Officer, Octroi Department, was working without any encouragement in the department for nearly 15 years and in the allocation it was thought necessary to fix him on Rs 60/- in the grade of Rs 40-2-50-3-80 in vie of his hard and good service

The t o Assistant Health Officers viz , Dr H Krishna Rao and Dr M S Ayodhyanath, are fully qualified Doctors and have put in long service After the formation of the Corporation two posts of Assistant Health Officers were abolished and the work was redistributed to the existing staff In doing so these two Doctors have to bear additional duties and responsibilities which warrant a fixation of pay in the higher start of the scale Hence they have been recommended to be fixed on Rs 300/- in the grade of Rs 200-10-300-20-500
